

2022
great southern
CABERNET FRANC

Blend	100% Cabernet Franc
Alc/Vol	14.0%
Harvest Date	13 April 2022
Bottling Date	15 August 2023
pH	3.64
Titration Acidity	5.8 g/L

Colour	Deep purple with vibrant red hues
Bouquet	Rich youthful aromas of raspberry and blackcurrants backed by subtle herbaceous characters.
Palate	<p>Bold, bright delicious red fruit flavours of red cherry and cranberry. These translate to a medium-bodied, intense, beautifully balanced, and framed palate.</p> <p>Soft tannins from the French oak provide structure and texture. A medium bodied, delicious red wine with length, savouriness, and complexity.</p> <p>Enjoy with rich red meat dishes, or strong, flavorsome cheeses, over the next 7-9 years.</p>
Winemaking	Fruit was crushed and destemmed into a closed fermenter where it underwent 2-3 pump overs a day until the end of ferment. Ferment was pressed and allowed a light settle before being racked to new and seasoned French oak for 15 month barrel maturation.
Winemaker	Rob Diletti
