great southern
MERLOT

Alc/Vol	14.0%
Harvest Date	11 March 2020
Bottling Date	11 February 2021
pH	3.55
Titration Acidity	6.2 g/L
Colour	Bright garnet red
Nose	Rich fruit aromas of plum, cola, mulberry, mocha and a touch of brambly leafiness.
Palate	<p>A medium weighted style structured to show off the plum and berry flavors that underpin the complex but subtle palate. Mulberry, chocolate, cola and spice are all there on the palate. Firm, but elegant, oak tannins and natural balanced acidity combine to provide a beautifully long, lingering finish.</p> <p>The wine was matured in French oak for a 10-month period before bottling. A pleasure to drink now, yet will continue to evolve over the next seven to eight years.</p>
