

2021
great southern
NEBBIOLO

Alc/Vol	14.0%
Harvest Date	24 th March 2021
Bottling Date	16 th August 2022
pH	3.20
Titration Acidity	9.7 g/L
Colour	Medium ruby
Nose	Fruit characters of cherry and raspberry are supported by aromas of rose petal and anise. Intensely aromatic, the wine also has savoury, leathery notes.
Palate	<p>This wine is classic Nebbiolo, with concentrated sour cherry and raspberry fruit characters. These fruit characters are balanced by tight, but lingering acidity, earthiness and typical Nebbiolo tannin structure.</p> <p>Nebbiolo's notoriously colour-light but tannin rich skins are a critical factor in making this wine. Fruit intensity, structure and balance are the result.</p>
Notes	Perfect pair for a non-lean cut of meat or creamy cheeses. Will gain complexity for 15+ years.
Winemaker	Rob Diletti
