

2020  
great southern  
**PINOT NOIR**

Alc/Vol	14.0 %
Harvest Date	24 <sup>th</sup> February 2020
Bottling Date	10th February 2021
pH	3.57
Titration Acidity	6.45 g/L

Colour Ruby red

**Nose and Palate** 3drops 2020 Great Southern Pinot Noir has an elegant nose of wild strawberries, red currants and cherry, with a hint of savouriness.

On the palate it's juicy and succulent with a fine tannin structure, smooth and creamy texture, and lively spice on the finish. The high-quality French oak is in the background and integrates beautifully with the fine tannin structure.

Ready to drink now, or you can cellar it over the next 8-10 years to further develop those earthy, savoury, tobacco characters.

If wining and dining, we'd recommend matching our Pinot Noir with grilled salmon, braised duck or an afternoon of cheese, charcuterie, and good company.
