

2021  
great southern  
**PINOT NOIR**

Alc/Vol	13.5 %
Harvest Date	11 <sup>th</sup> March 2021
Bottling Date	10th February 2022
pH	3.4
Titration Acidity	7.7 g/L

Colour Light ruby red

**Nose and Palate** 3drops 2021 Great Southern Pinot Noir has an elegant and fragrant nose of strawberries and red currants with an underlying hint of savouriness.

On the palate it's elegant but fruit driven, with a fine tannin structure, and lively spice on the finish. The strawberry and red currant flavours are also apparent on the palate and are balanced with the high-quality French oak. The finish is long and complex.

The 2021 vintage is ready to drink now, or cellar it over the next 8-10 years to further develop those earthy, savoury, tobacco characters.

If wining and dining, we'd recommend matching our Pinot Noir with grilled salmon, braised duck or an afternoon of cheese, charcuterie, and good company.
