

2020
great southern
RIESLING

Alc/Vol	13.5%
Harvest Date	28th February 2020
Bottling Date	8 th June 2020
pH	3.10
Titration Acidity	7.2 g/L
Residual Sugar	1.1 g/L

Colour	Pale straw with green hues
Bouquet	Typical Great Southern Riesling aromas of intense lime juice and grapefruit characters are backed by floral notes. The bouquet is lifted, clean and vibrant.
Palate	<p>The front entry to the palate has generosity with lime juice and grapefruit characters. The vibrant fruit fullness flows through to a tight, elegant, and focussed mid palate which shows amazing natural balance between fruitfulness and the fine natural acidity. This wine has a tightly wound palate structure which provides great length and persistence and will allow it to develop over many years.</p> <p>Enjoy this wine now with seafood, or cellar for at least ten years for it to show some great aged Riesling characters.</p>
Winemaker	Rob Diletti
