Bouquet	Typical Great Southern Riesling aromas of zesty citrus characters are backed by floral notes. The bouquet is vibrant, fresh, and lifted.
Palate	<p>The front of the palate is generous with lime and grapefruit characters. The vibrant fruit leads to a tight, focussed, and elegant mid palate. There is natural balance between the fruit and the fine natural acidity.</p> <p>This wine has a tightly wound palate structure which provides great length and persistence and will allow it to develop over many years.</p> <p>Enjoy this wine now with seafood, or cellar for at least ten years for it to show some great honeyed aged Riesling characters.</p>
