Bouquet Typical Great Southern Riesling aromas of zesty citrus characters are backed by floral notes. The floral bouquet is vibrant, fresh, and lifted.

Palate The front of the palate is generous with lime and grapefruit characters. The vibrant fruit leads to a tight, focussed, and elegant mid palate. There is natural balance between the fruit and the fine natural acidity.

This wine has a tightly wound palate structure which provides great length and persistence and will allow it to develop over many years.

Enjoy this wine now with seafood, or cellar for at least ten years for it to show some great honeyed aged Riesling characters.
