

2023
great southern
RIESLING

Alc/Vol	12.0 %
Harvest Date	23 March 2023 (single cordon vines) 28 March 2023 (double cordon vines).
Bottling Date	13 June 2023
pH	3.07
Titration Acidity	7.1g/L
Residual Sugar	1.32 g/L

Colour	Light pale straw
Bouquet	Typical Great Southern Riesling aromas of zesty citrus characters are backed by floral notes. The floral bouquet is vibrant, fresh, and lifted.
Palate	<p>3drops Riesling is known for its vibrant and aromatic profile. The front of the palate is generous with lime and grapefruit characters, backed by subtle mineral and herbal notes. The combination of fruit flavours, acidity, and mineral nuances, harmoniously come together to create a wine that is both vibrant and refined.</p> <p>The wine has a tightly wound palate structure which provides length, persistence, and a crisp and refreshing mouthfeel. The wine's acidity and structure will allow it to develop over many years.</p> <p>3drops Riesling is a versatile wine that can be enjoyed on its own, or paired with seafood, Asian cuisine, or light salads. Alternatively cellar for at least ten years for the wine to show some great honeyed aged Riesling characters.</p>
Winemaker	Rob Diletti
