great southern
ROSÉ

Alc / vol	13.0 %
Harvest Date	1 st & 5 th March 2025
Bottling Date	6 th June 2025
pH	3.18
Titration Acidity	5.6 g/L

Variety	100% Nebbiolo
Colour	Pale pink with salmon hues
Bouquet	This Nebbiolo Rosé has refined and expressive aromas of fresh strawberries and raspberries, interwoven with delicate notes of cream and understated savoury elements, offering both brightness and complexity.
Palate	On the palate, it delivers a supple, velvety texture, with vivid red berry flavours taking prominence. The mid-palate reveals a savoury depth and fine structure, hallmarks of the Nebbiolo variety. A vibrant line of acidity – characteristic of Nebbiolo – provides lift and precision, culminating in a crisp, elegant finish. 3drops Nebbiolo Rosé is a sophisticated accompaniment to charcuterie, fresh seasonal salads, and lighter meat dishes, and equally well-suited as an aperitif.
Winemaking	Crafted from grapes harvested from our 20-year-old Nebbiolo block and gently pressed to minimize colour pick up. The fruit underwent a cool ferment in stainless steel after crushing, enhancing this varieties natural tannin structure
Winemaker	Rob Diletti
