| pH | 3.34 |
| Titration Acidity | 5.9 g/L |
| Residual Sugar | 1.0 g/L |
| Colour | Pale straw color |
| Nose | A fresh, vibrant tropical and floral bouquet, which shows cool climate, punchy Sauvignon Blanc characters. Ripe fruit notes of guava, lychee and gooseberry fill the glass and are backed by subtle hints of herbaceousness. |
| Palate | <p>The mouth is filled instantly with rich and vibrant fruit flavors of guava, gooseberry and lychee. The palate is rich and luscious, with the fruitfulness backed by the delicate herbaceous notes. There is a refreshing balance to the wine, provided by the fine acid back bone, which also contributes to a clean, crisp, yet delicate finish.</p> <p>Enjoy now while the flavors are fresh and vibrant.</p> |
