Harvest Date	29 th March 2018
Bottling Date	23 rd August 2019
pH	3.55
Titration Acidity	6.2 g/L

Colour Deep red colour

Bouquet Intense aromas of plums, dark chocolate and violets with hints of black pepper and liquorice. A complex and attractive bouquet which draws us towards the wine.

Palate Rich and full-flavored wine which shows cool climate spice and pepper character yet is characterized by intensity and power. Dark plum fruit fills the front palate and is backed the wonderful cool climate notes of violets and black pepper. The richness carries through the palate and is enhanced by balanced tannins, fine acidity and hints of high-quality French oak. The finish is rich long and powerful.

Enjoy now with red meat or cheeses or cellar for eight to ten years.
