

2023
great southern
SHIRAZ

Alc/Vol	14.0 %
Harvest Date	22 April 2023
Bottling Date	20 August 2024
pH	3.45
Titration Acidity	6.4 g/L
Colour	Deep red with a vibrant hue.
Bouquet	A layered and alluring aroma blends ripe plum, dark chocolate, and violet with subtle whispers of black pepper and liquorice, forming a captivating bouquet.
Palate	Elegant yet full-bodied, this wine highlights the signature spiciness and peppery edge of cool-climate Shiraz. Initial flavours burst with dark plum, lifted by violet tones and cool-climate black pepper. Its richness is supported by integrated tannins, bright acidity, and delicate high-grade French oak. The finish is sumptuous, lengthy, and memorable. Drink now with aged cheddar, barbecued lamb or beef stew, or cellaring for eight to ten years.
Winemaking	Fruit from our 40-year-old Patterson vineyard was delivered straight to the winery to preserve freshness. It matured for 17 months in a mix of new and seasoned French oak, then lightly filtered before bottling for clarity.
Winemaker	Rob Diletti
