Colour	Light straw colour
Bouquet and palate	<p>Made in a traditional style and fermented twice (the second ferment in bottle). This toasty sparkling demonstrates the quality of this approach.</p> <p>A bouquet of pear, red apple and yeasty notes are followed through on the palate. A fine juicy bead is the signature of this wine and there is a wonderful balance between elegance and power.</p> <p>The structure is tight reflecting the cool climate viticulture of the Great Southern.</p>
Winemaker	Mike Garland
