## 2009 3 DROPS CHARDONNAY

Another well-priced, appealing wine under the goofy 3 drops label. A touch of development, some complexing sulfides and rich, spicy fruit-oak aromas make for a compelling drink. It has a lot of overt fruit and is soft and round in the mouth, without great finesse but you get flavour for your money. Now to five years. 13.5 per cent alcohol. 92/100.
